GENERAL INFORMATION

LAS PALMAS DE GRAN CANARIA

Las Palmas de Gran Canaria is the Capital of Gran Canaria (Canary Islands - Spain). Gran Canaria is easily accessible from any main European airport and also from most Spanish cities. The city accounts with more than 500 years of history, and nowadays it has become an important hub for the navigation on the Atlantic Ocean. The city features excellent weather all year, a rich cultural activity, a cosmopolitan spirit and a great outdoor life.

THE VENUE

The events will take place at the Palacio de Congresos de Canarias, an impressive building located in one end of Las Canteras Beach. The building has hosted in the last 15 years mayor international events, both scientific and cultural.

CLIMATE

The city average temperature during the conference period is 19°C.

ACCOMMODATION

You will be able to book your accommodation directly on the official event web page: www.politzermeeting2018.com. The city offers a large number of hotels located into a walking distance to the Palacio de Congresos de Canarias.
